Dear Mr Hawchar

**Health Conditions of Approval - Public Building – Place of Worship - 45 Mills Road
West GOSNELLS WA 6110**

Please find enclosed a copy of the City's Health Service conditions of approval which relate to the proposed public building at the above address. It is important that these conditions are complied with fully and I would encourage you to ensure all appropriate personnel are made aware of them.

This letter and the attached conditions should not be construed as meaning that approval has been granted to commence construction. You are still required to obtain a building permit from the City's Building Service prior to construction commencing.

It should also be noted that once completed, the premises is required to be inspected and approved by an Environmental Health Officer prior to the occupation of the public building.

If you have any questions or wish to discuss any of the conditions further, please contact Daniella Dagostino on 9397 3023.

Yours sincerely

pp **William Ellis**
